

Mr. Arnoldas Solovjovas

Vilnius University, Faculty of Physics, Laser Research Center, a doctoral student

Arnoldas Solovjovas is the member of the Commission for Higher Education Institutions' Review delegated by the Vilnius University Student Representation (hereinafter - VU SA). Arnoldas holds a Bachelor of Science in Telecommunications Physics and Electronics, also a Master of Science (MSc) in Electronics and Telecommunications Technology, and an MBA in Entrepreneurship. He is currently a doctoral student in Materials Engineering.

Since 2015 Arnoldas is an active member of VU SA. In 2017 was invited to work as an academic process coordinator at the central office, and in 2021 became Vice President of this organization. He has been a member of the Senate of Vilnius University and a member of the Council of the Faculty of Physics for the fifth year. From 2020 onwards is in the European Students Union's Quality Assurance Pool. In February 2019 gave a presentation at the international conference "2019 European Learning & Teaching Forum" about the changes in the feedback culture achieved at Vilnius University.
