ARRIVAL TO LITHUANIA

Participants are kindly requested to arrange their own international travel to Vilnius and local travel to the venue.

We will provide you, upon request, with an official invitation letter in case it is required for your visa request procedure.

TRANSPORTATION TO/FROM AIRPORT

Vilnius international airport is situated 5 kilometres from the venue. Upon arrival to Vilnius, participants can take a taxi, bus, or train to get from the airport to the hotel or the conference venue.

By taxi

You will find taxis at the exit of the airport. All of them are required to be equipped with taximeters and displays to show the travel fee. The average taxi fee from the airport to the city center is approximately 15-20 euros. Most taxis accept card payment. Please make sure to ask for a receipt.

You may also ask your hotel for a taxi pick up or arrange it yourself through www.taksinet.lt/en/ .

By bus

The bus stop is located on the right side of the exit. The bus line no. 88 runs to the city centre. The stop for the Gediminas avenue (*Gedimino prospektas*) is *Vinco Kudirkos aikštė*. The timetable of the bus can be found at www.stops.lt/vilnius/#vilnius/en . Tickets are sold by the bus driver at the entrance to the bus for 1 euro (cash only).

By train

The train connecting Vilnius airport and Vilnius train station is running on regular basis. The train station is located right at the southern point of the Vilnius down town. Train tickets can be purchased at the train or on-line for 0.70 euro. The time table can be found at www.traukiniobilietas.lt/portal/ .

Additional information is also available at www.vno.lt/en/before-the-flight/transport .

PUBLIC TRANSPORT

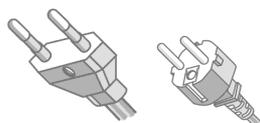

Information on public transport in Vilnius – routes and timetables – is available here: <http://www.vilniausviesasistransportas.lt/en/> . Tickets can be purchased from the driver (cash only).

CURRENCY

Euro is the official currency in Lithuania. There are plenty of ATM machines around the city, starting with the one in the arrival hall of the airport. Debit and credit cards are very widely accepted.

ELECTRICITY

Electricity in **Lithuania** is **230V**, with a frequency of **50hz**, the following plugs are used:
